This pre-selection activity must be completed by international applicants for:

- Bachelor of Architectural Design / Master of Architecture
- Bachelor of Engineering (Honours) & Bachelor of Architectural Design

How to Respond
Your response should be approximately 200 words and may include images. It should show the application reviewers how you approach issues and how you articulate your ideas in relation to these issues. You are encouraged to be imaginative and ambitious in your response to the pre-selection activity question. You can propose ideas that are inventive, provocative and speculative. There is no single or correct answer. We are interested in your ideas and the thinking behind them.

Submitting Your Response
1. Lodge an application for this course with Monash International Recruitment Services: http://monash.edu/study/international/undergraduate/
2. Format your response as one single-sided A4 page and submit it as an attachment to your application. Be sure to include your name on your response. Click the Upload or Send Documents button in the applicant portal to add an attachment: http://applicant.connect.monash.edu.au

By submitting your response, you certify it is your own original work.

Consideration for Credit in Architecture
If you have completed relevant studies at tertiary level (University or TAFE) and you would like to be considered for credit, please include a folio of 10-15 images of your work along with a course syllabus. For more information, please contact us at:
